

Shrimp and Crab Meat Salad

Elizabeth Botkin

When you put this salad and a bowl of tortilla chips on a table, folks will find that spot and hover around it until the supply is gone. So you might want to have a spare batch ready to replenish that end of the table and avoid the sad faces of people who wanted just one more bite.

Ingredients

- 1 pound of cooked deveined shrimp
- 1 pound fresh jumbo lump crab meat
- 1/2 cup chopped green pepper
- 1/4 cup chopped green onion
- 1 1/2 cups small diced celery
- 1/2 teaspoon of salt
- 1 teaspoon Chesapeake old bay seasoning
- 1 cup mayonnaise

Directions

1. Mix all ingredients
2. Chill until time to serve
3. Top with paprika just before serving
