Caribbean Breeze

Danny & Marie Adkins

If Danny Adkins says this is the right drink to sip poolside, beachside, inside or outside (he does) who are we to argue. And why would we? This is a true tropical cooler.

Ingredients

- 1.5 ounces of dark rum
- 1 ounce banana rum
- 3 ounces pineapple juice
- 2 ounces cranberry juice
- 1 teaspoon Rose's Lime Juice
- 1/2 cup of ice

1 teaspoon of cherry juice with a cherry can be added if desired.

Directions

Shake ingredients well and pour into a chilled glass. Garnish with whatever you think makes you look like a resident of some tropical island. Think "Gilligan" but cool.
